**Attachments:** Blades DE TRANSMITTAL MEMO\_062419.docx; EPA Request for Concurrence Letter Blades Groundwater Draft Final.docx

Lorie,

I am in the office today. I am acting. I have added in the concurrence at the bottom of the letter. I checked my records and I guess I wrote the letter for Karen to Cosmo last time for non-responsive based on invited form I have included that as well. Please let me know what you think. I am trying to find the most recent routing form (I thought it was form 41), any ideas where it may be on the server?

Thank you.

Connor,

Are you in the office today? If so, do you think you could start it through concurrence? If not, maybe tomorrow. I'd like to get it started instead of waiting for Yazmine to get back. Also, I don't remember, do we need a memo from Paul to Cosmo explaining why he needs to sign the letter?

Thx!

Lorie

Attached are my suggested changes mainly to try to cut down on the history a little.

Lorie and Yazmine,

I had the letter finished, I am sorry I didn't send it over sooner. Thank you.

I don't think we're making this deadline, but as long as we get it before proposal we're fine. Connor, were you able to draft a request letter yet?

Hi James, Lorie, Cathy and Brenda. Just a reminder that state concurrence letters are due in 2 weeks.  
Thanks.

**Potential Sites for September 2019 Proposed Rule:**

Reg.	State	Site Name	City/County
Nonresponsive based on revised scope			
3	DE	Blades Groundwater Plume	Blades
Nonresponsive based on revised scope
